1 General information

SunMoon Food Company Limited (the "Company") is a limited liability company incorporated and domiciled in the Republic of Singapore and is listed on the Mainboard of the Singapore Exchange. Its immediate holding company is Yiguo General Food Pte. Ltd., incorporated in the Republic of Singapore and its ultimate holding company is Shanghai Yiguo E-Commerce Co., Ltd, incorporated in the People's Republic of China.

The registered office of the Company is 1 Scotts Road, #21-07/08/09 Shaw Centre, Singapore 228202 and its principal place of business is at 71 Ubi Road 1, #08-47, Oxley Bizhub, Singapore 408732.

The principal activity of the Company is that of an investment holding company.

2 Basis of preparation

The condensed interim financial statements for the first quarter ended 30 June 2021 have been prepared in accordance with SFRS(I) 1-34 Interim Financial Reporting issued by the Accounting Standards Council Singapore. The condensed interim financial statements do not include all the information required for a complete set of financial statements. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group's financial position and performance of the Group since the last annual financial statements for the financial year ended 31 March 2021.

The accounting policies and method of computation adopted are consistent with those of the previous financial year except that in the current financial period, the Group has adopted all the new and amended standards which are relevant to the Group and are effective for annual financial periods beginning on or after 1 April 2021. The adoption of these standards did not have any material effect on the amounts reported for the current or prior period.

The condensed interim financial statements are presented in Singapore Dollars (SGD or \$) and all values in the tables are rounded to the nearest thousand (\$'000), except when otherwise indicated.

2.1 New and amended standards adopted by the Group

A number of amendments to Standards have become applicable for the current reporting period. The Group did not have to change its accounting policies or make retrospective adjustments as a result of adopting those standards.

2.2 Use of Judgement and Estimates

In preparing the condensed interim financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements as at and for the financial year ended 31 March 2021.

Estimates and assumptions are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

2.3 Seasonal Operations

The Group's businesses are not affected significantly by seasonal or cyclical factors during the financial period.

E. NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

2.4 Segment Information

Management has determined the operating segments based on the reports reviewed by the chief operating decision maker. A segment is a distinguishable component of the Group that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments.

The Group is engaged in the sales of fruits, vegetables, seafood, meat, aqua-food and agri-food related products and including any other ancillary products globally. The management has determined all these products are reported together as one segment as these products have the same nature and economic characteristics. Hence, there are no other reportable segments to be presented.

Geographical information

The Group operates in several geographical areas. Revenue is based on the region in which the customers are located. Non-current assets comprise of the plant and equipment as presented in the balance sheet of the Group. Non-current assets are shown by the geographical area in which the assets are located.

The bank loan of RMB3,000,000 (or \$624,000) at interest rate of 4.50% per annum was obtained from China Construction Bank under the personal guarantee of a director. The loan has been renewed for one year at an interest rate of 4.25% per annum and due on 17 May 2022.

Lease liabilities pertaining to office spaces and office equipment for the purpose of back office operations in China and Singapore.

The leases for office spaces contain extension periods, for which the related lease payments had not been included in lease liabilities as the Group is not reasonably certain to exercise these extension options. The Group negotiates extension options to optimise operational flexibility in terms of managing the assets used in the Group's operations. The majority of the extension options are exercisable by the Group and not by the lessor.

Condensed Interim Consolidated Statement of Comprehensive Income

1 Revenue

Revenue for the Group was \$7.38 million for 1Q2021/22 compared to \$8.50 million for 1Q2020/21. The lower revenue was mainly due to the decrease in sales to related parties and fresh fruits exported for 1Q2021/22. The sales to Shanghai Yiguo E-Commerce Co.,Ltd and its related companies ("Yiguo") for 1Q2021/22 was 0.4% of the revenue compared to 23% of the revenue for 1Q2020/21.

2 Gross Profit

Gross profit for 1Q2021/22 was \$0.08 million (gross margin of 1.1%) compared to gross profit of \$0.37 million (gross margin of 4.3%) in 1Q2020/21 period. The lower margin was mainly due to clearance of obsolete inventories and products sold at no margin or negative margin.

3 Other income

Other income was \$4,000 for 1Q2021/22 compared to \$59,000 for 1Q2020/21. Other income was mainly from government grants on job support scheme.

4 Selling and distribution expenses ("S&D")

The S&D expenses for 1Q2021/22 were \$0.14 million compared to \$0.32 million for 1Q2020/21. The lower S&D expenses were due to cost control measures undertaken to streamline the Group's operation and the splitting of management staff related expenses from S&D expenses to Admin expenses for subsidiary in China since April 2021 based on job functions.

5 Administrative expenses ("Admin")

The Admin expenses for 1Q2021/22 were \$0.25 million compared to \$0.19 million for 1Q2020/21. The higher Admin expenses for 1Q2021/22 were mainly due to increased professional fee expenses and the splitting of management staff related expenses from S&D expenses to Admin expenses for subsidiary in China since April 2021 based on job functions.

6 Loss for the period

The Group's loss before income tax for 1Q2021/22 was \$0.30 million compared to \$0.12 million for 1Q2020/21. The reasons were mainly due to item (2), (4) and (5) above.

7 Total comprehensive loss for the period

The Group's total comprehensive loss after income tax for 1Q2021/22 was \$0.21 million compared to the total comprehensive loss of \$0.48 million for 1Q2020/21. This was explained in item (6) above.

Condensed Interim Consolidated Statement of Cash flows

8 Operating cash flow

The Group's net cash inflow from operating activities for 1Q2021/22 was \$0.68 million compared net cash outflow of \$1.01 million in 1Q2020/21. The increase in the cash inflow was mainly due to cash generated from operating activities as a result of improvement in working capital.

- F6 A review of the performance of the group, to the extent necessary for a reasonable understanding of the group's business. It must include a discussion of the following:—

 (a) any significant factors that affected the turnover, costs, and earnings of the group for
 - the current financial period reported on, including (where applicable) seasonal or cyclical factors: and
 - (b) any material factors that affected the cash flow, working capital, assets or liabilities of the group during the current financial period reported on.

Condensed Interim Consolidated Statement of Cash flows(Continued)

9 Financing cash flow

The Group's net cash outflow from financing activities for 1Q2021/22 was pertaining to interest paid and repayment of lease liabilities.

Condensed Interim Statements of Financial Position

10 Cash and cash equivalent

The increase in cash and cash equivalent was mainly due to net cash inflow generated from operating activities as stated in item (8) above.

11 Trade and other receivables

Trade receivables from third parties have been reduced to \$5.06 million as at 30 June 2021 compared \$6.73 million as at 31 March 2021. These were mainly due to collection and and decrease in sales.

Trade receivables from Yiguo related parties were \$127,000 as at 30 June 2021 compared to \$98,000 as at 31 March 2021, these were due to seafood and fruits sold to Yiguo and its related parties during the period.

Trade receivables from SSMY have been reduced to \$5.97 million compared to \$6.23 million as at 31 March 2021, these were due to payment made from SSMY according to repayment schedule.

(For details of receivables from SSMY pertaining to purchase AR from SMF Shanmai and SMDT and repayment schedules, please refer to update to shareholders announcement dated 10 February 2021, 10 June 2021, 14 July 2021, 16 July 2021 and 25 July 2021).

Other receivables were mainly advances to suppliers to secure procurement and the decrease was mainly due to decrease in purchases.

12 Inventories

The decrease in inventories was a result of inventories being sold.

13 Borrowings

The decrease in borrowings was due to principal repayment of lease liabilities for the period. As at 30 June 2021, Bank loan remains unchanged at RMB3 million.

14 Trade and other payables

The decrease in trade payables was mainly due to decrease in credit purchases.

Other payables were mainly advances from customers and the decrease was mainly due to decrease in sales.
