4. **SATISFACTION OF CONDITIONS**

In relation to the condition as set out in paragraph 2(a) of this announcement, the reasons for seeking the Waiver are as follows:

In relation to the AGM Extension Application, AR Extension Application and FY2022 Extension Application

- (a) the Company is in the midst of finalising, together with its auditors, its audited financial statements for FY2022. However, following the announcement of the lockdown of Shanghai on 28 March 2022, it has caused significant delays and inconveniences for the continuation of auditing work and the finalisation of the FY2022 unaudited financial statements. The requested period of two (2) months extension is necessary as the Company's auditors has indicated that they are not clear when can the field audit work commence. As such, the Company's auditors have informed the Company that the audit will not be able to complete the audit in time and had informed the Company that the finalisation of audit work will be on or before 14 September 2022. The Company therefore believes that it will be more appropriate to allow additional time for its auditors to finalise its audit opinion.

In relation to the 1Q2022 Extension Application

- (b) in view of the reason set out in paragraph 4(a) above, the Company is unable to finalise and release its 1Q2022 financial statements as the 1Q2022 will be based on the opening balances brought forward from audited financial statements for FY2022;

In relation to the SR Extension Application

- (c) the Company had prioritised its resources to finalise its FY2022 accounts and requires additional time to work, identify and to conduct a fundamental review of the Company's business and its business strategy against the operating environment to address the disclosures required under its sustainability report for FY2022;
 - (d) for the reasons stated above, it will be in the interests of the shareholders and the Company to apply and for SGX-ST to grant the Company's SGX Waiver and Extension Applications.
5. In relation to the condition as set out in paragraph 2(b) of this announcement, the Company have submitted two (2) written confirmations to the SGX RegCo that it is not aware of any information that will have a material bearing on investors' decision which has yet to be announced by the Company (for the 1Q2022 Extension Application and the FY2022 Extension Application).
6. In relation to the condition as set out in paragraph 2(c) of this announcement, the Company intends to hold the annual general meeting of the Company for FY2022 on or before 29 September 2022.

Shareholders and potential investors are advised to exercise caution in trading their shares. The Company will make further announcements as appropriate or when there are further developments. Shareholders and noteholders are advised to read this announcement and any further announcements by the Company carefully. Shareholders should consult their stockbrokers, bank managers, solicitors or other professional advisors if they have any doubt about the actions they should take.
